

TERRA FABULA · CHAPTER 2

ARRIVAL

STORYTELLER: _____

The People have been travelling on foot for many months, looking for a place to make a new home.

Mothers and fathers, brothers and sisters, with nothing but what they could carry.

Why did they leave their old home?
What was it like? Was it similar to this new land, or very different?

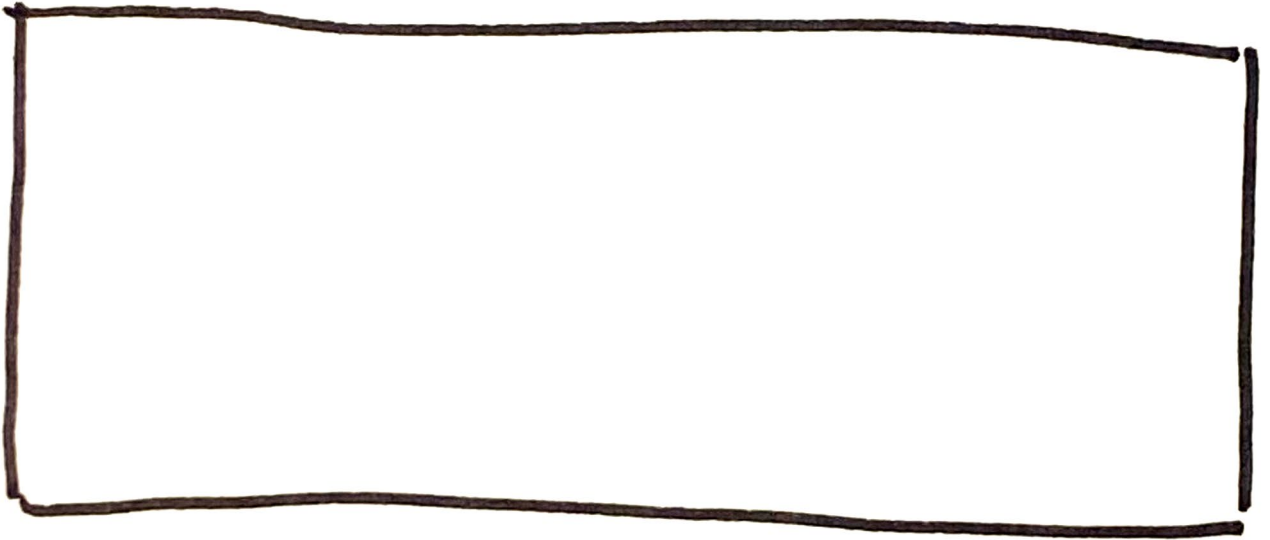

Whereabouts on the edge of your map do the People arrive? Draw a dot there to show where the first of them stood, looking into the new land.

WHAT DID THEY NOTICE FIRST? WRITE A SENTENCE DESCRIBING THEIR FIRST IMPRESSION OF THE LAND.

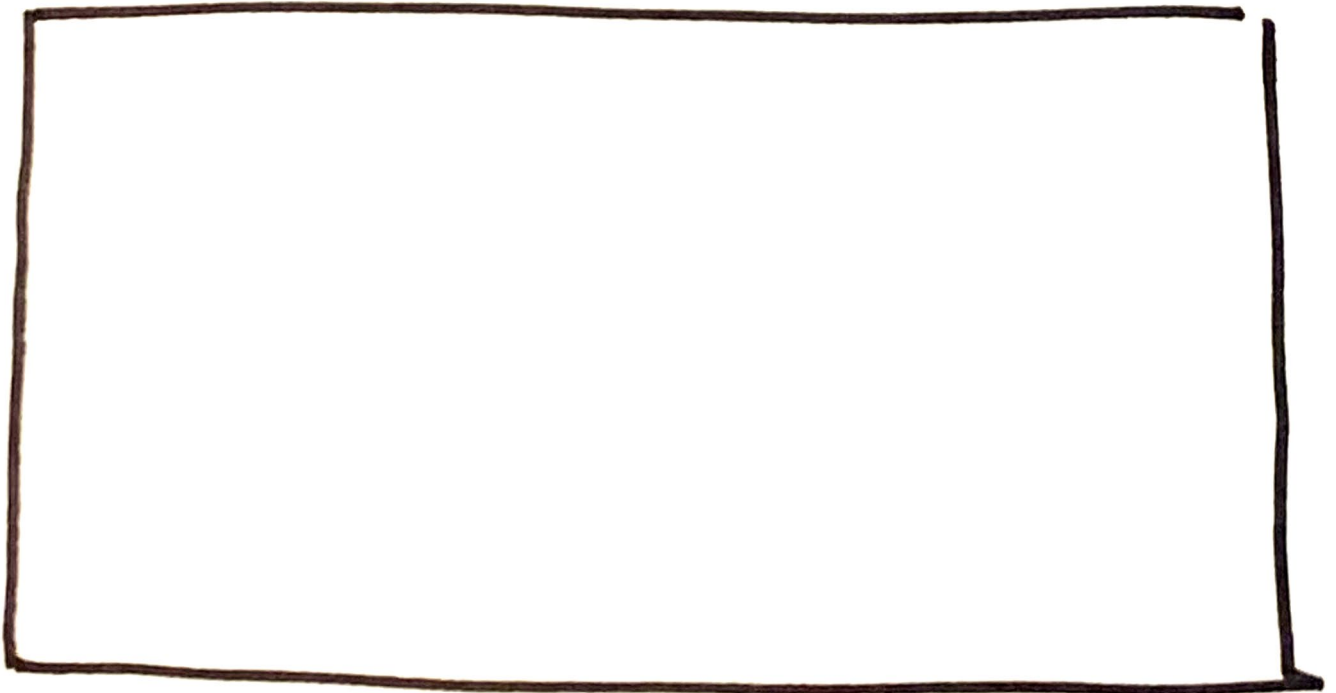

A large, empty rectangular box with a hand-drawn border, intended for writing a sentence.

There were many animals the
People had never seen before.

WHAT ANIMAL DID THEY FIND TO EAT?

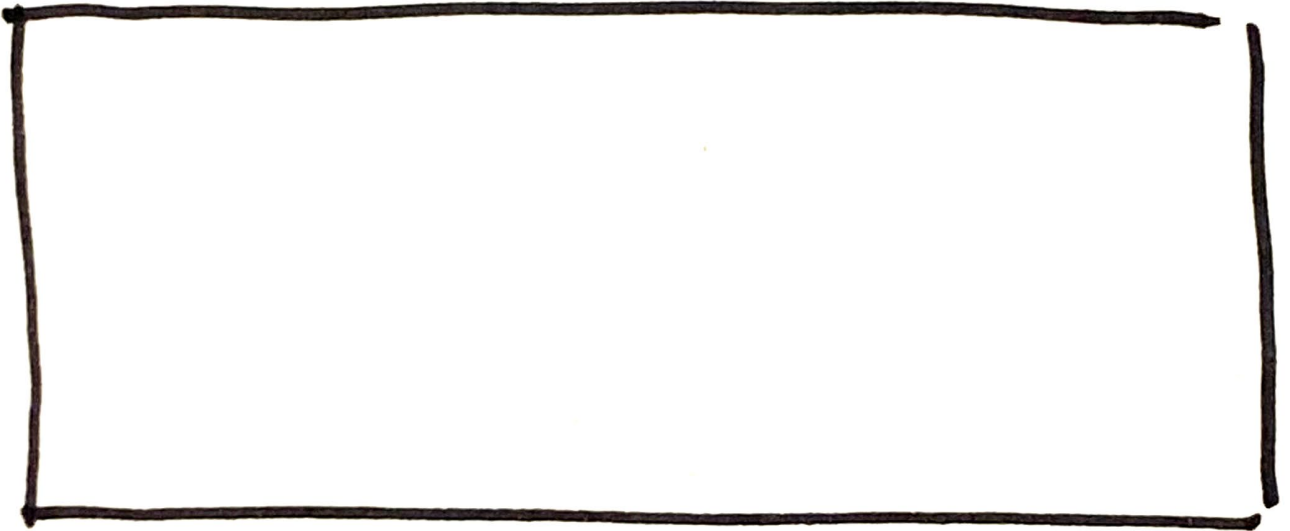

**WHAT ANIMAL DID THEY FIND THAT THEY
DID NOT EAT? WHY WAS THAT?**

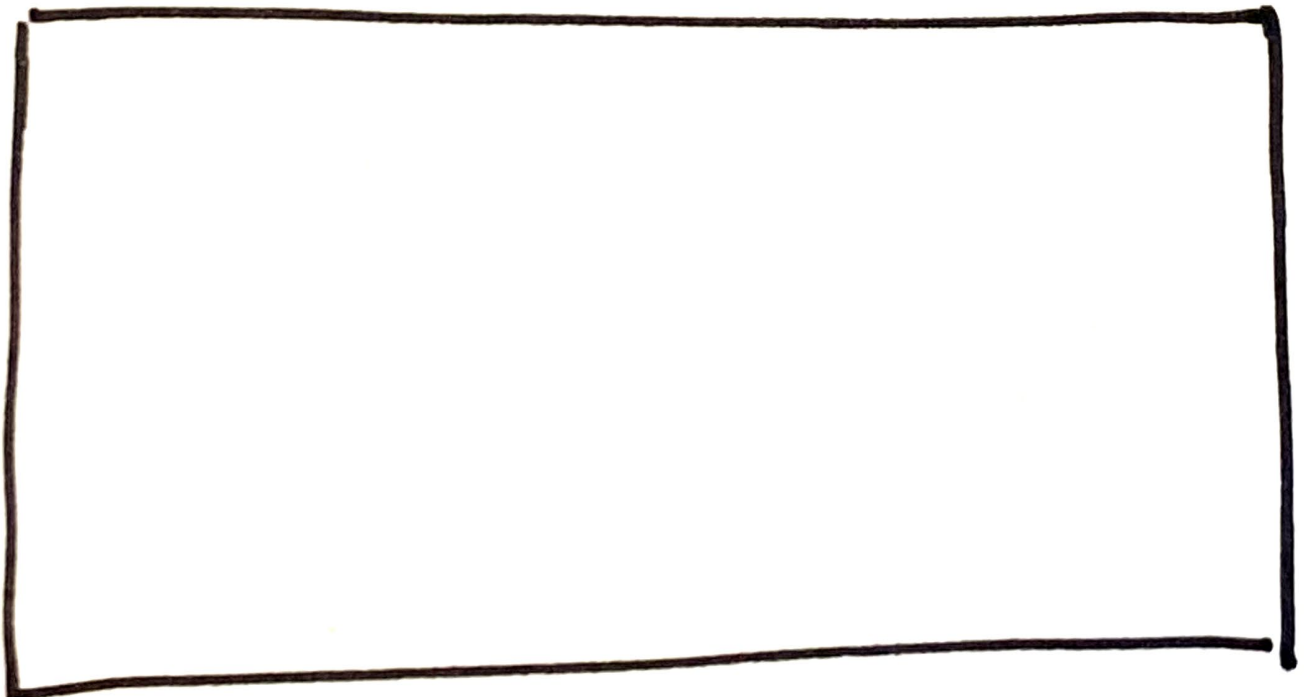

The plants were also strange. Some had unusual properties.

WHAT PLANT DID THEY FIND TO EAT?

WHAT PLANT DID THEY FIND THAT THEY DID NOT EAT? DID THEY USE IT FOR SOMETHING ELSE?

The story of the arrival in the land would be passed down from one generation to the next. Write about why the People decided to settle here. What were their hopes and fears? What plans did they have?

HOW WE ARRIVED IN THE LAND MANY YEARS AGO...
