

# TERRA FABULA · CHAPTER 4

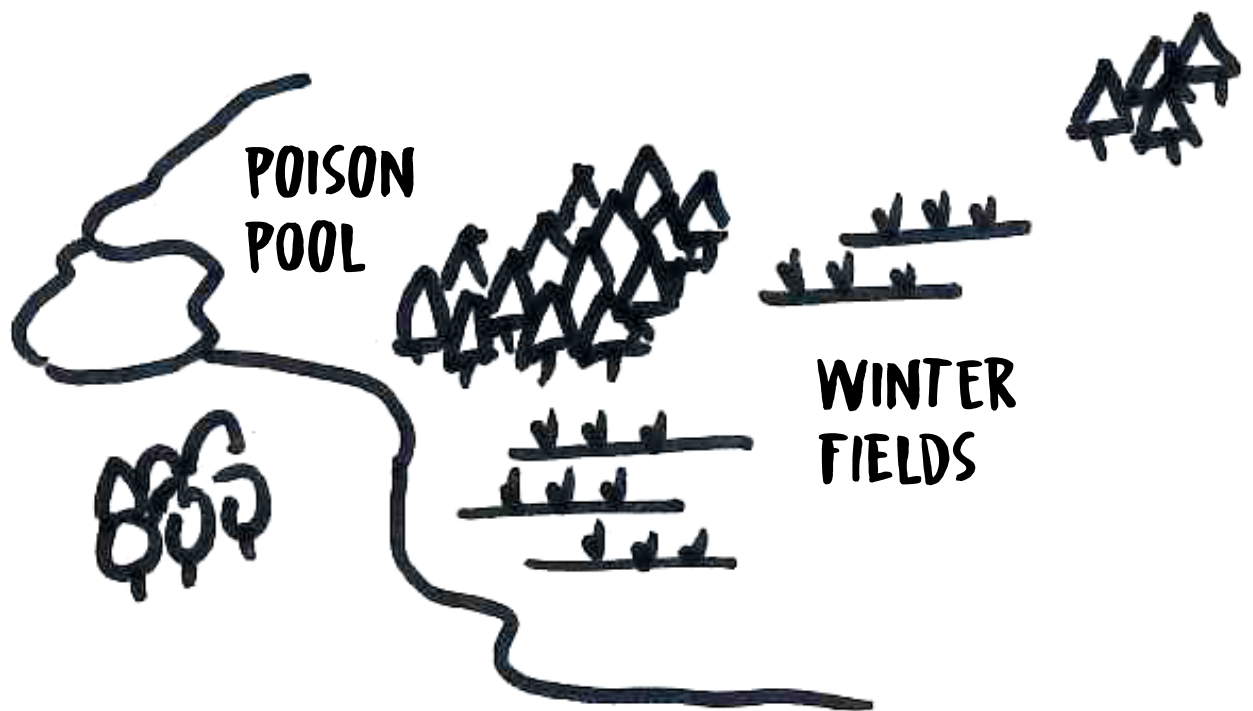

# CULTURE

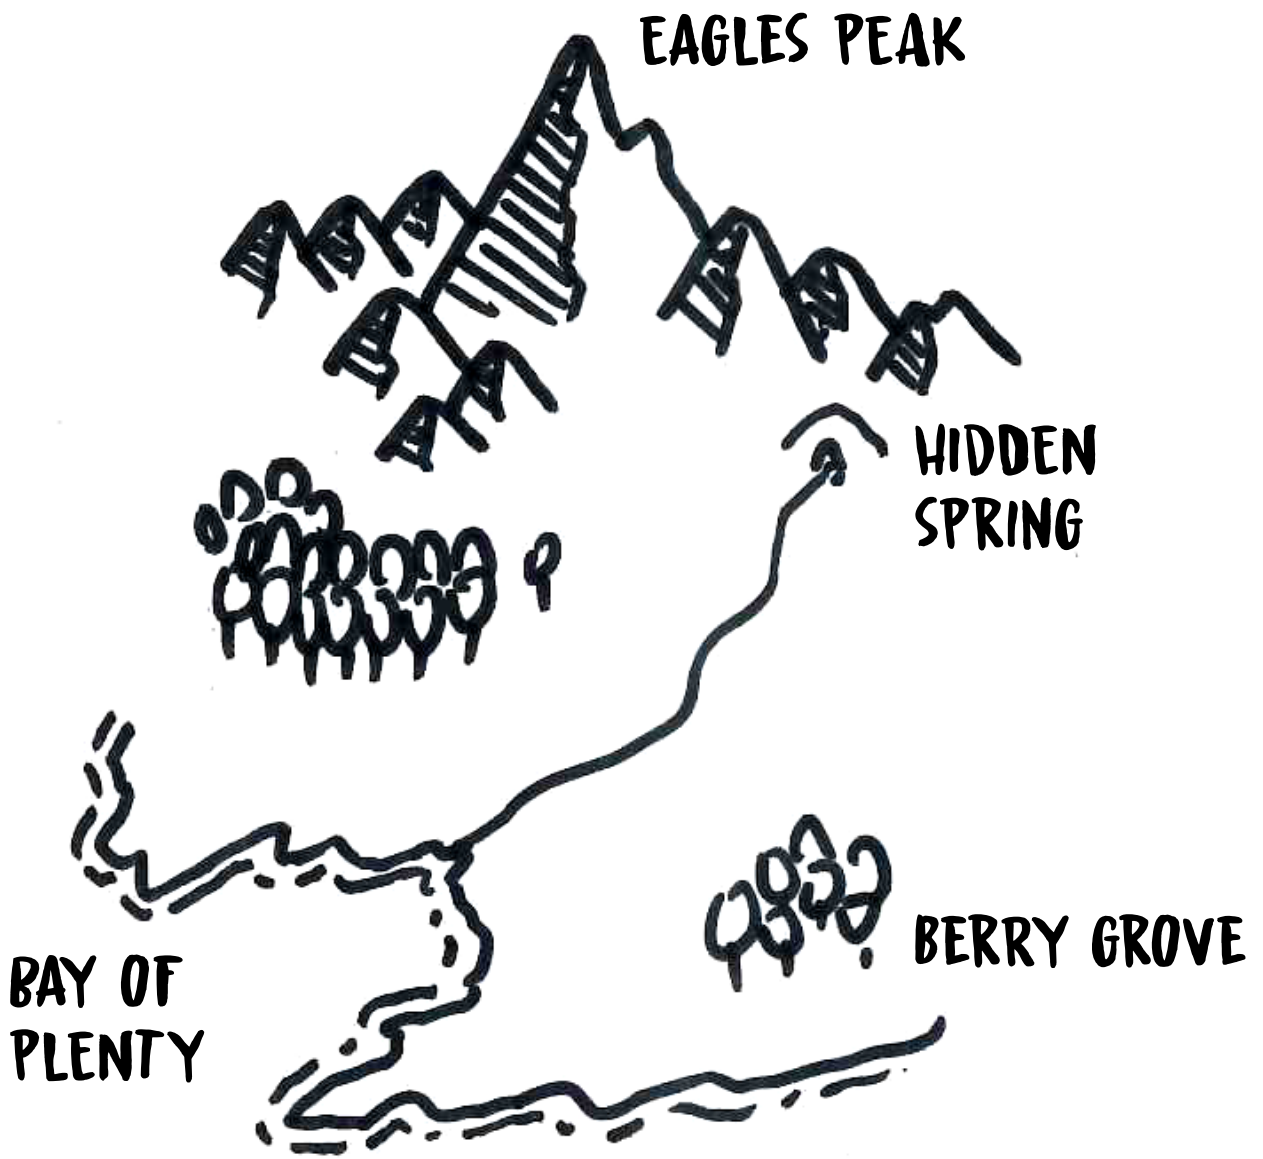

**STORYTELLER:** \_\_\_\_\_

Over time the culture of the People evolves, as they learn about the land and tell stories of their time here.

Gradually they give names to the places that are important to them, to share their meaning with others, to guide and to warn.

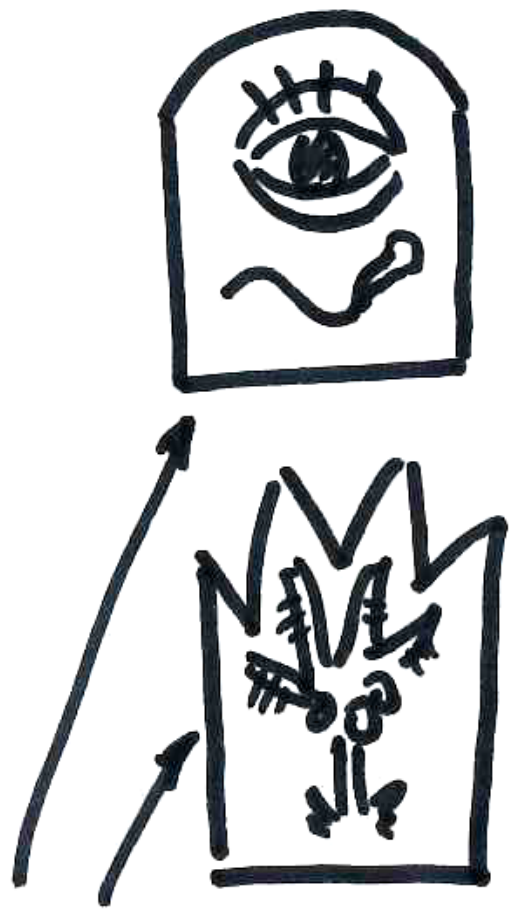

What places would be most important to the People?

Think about what names they may give them, and write those on your map near each place.

The People choose a symbol that is important to them. It may be inspired by an animal, a place, an event, or anything.

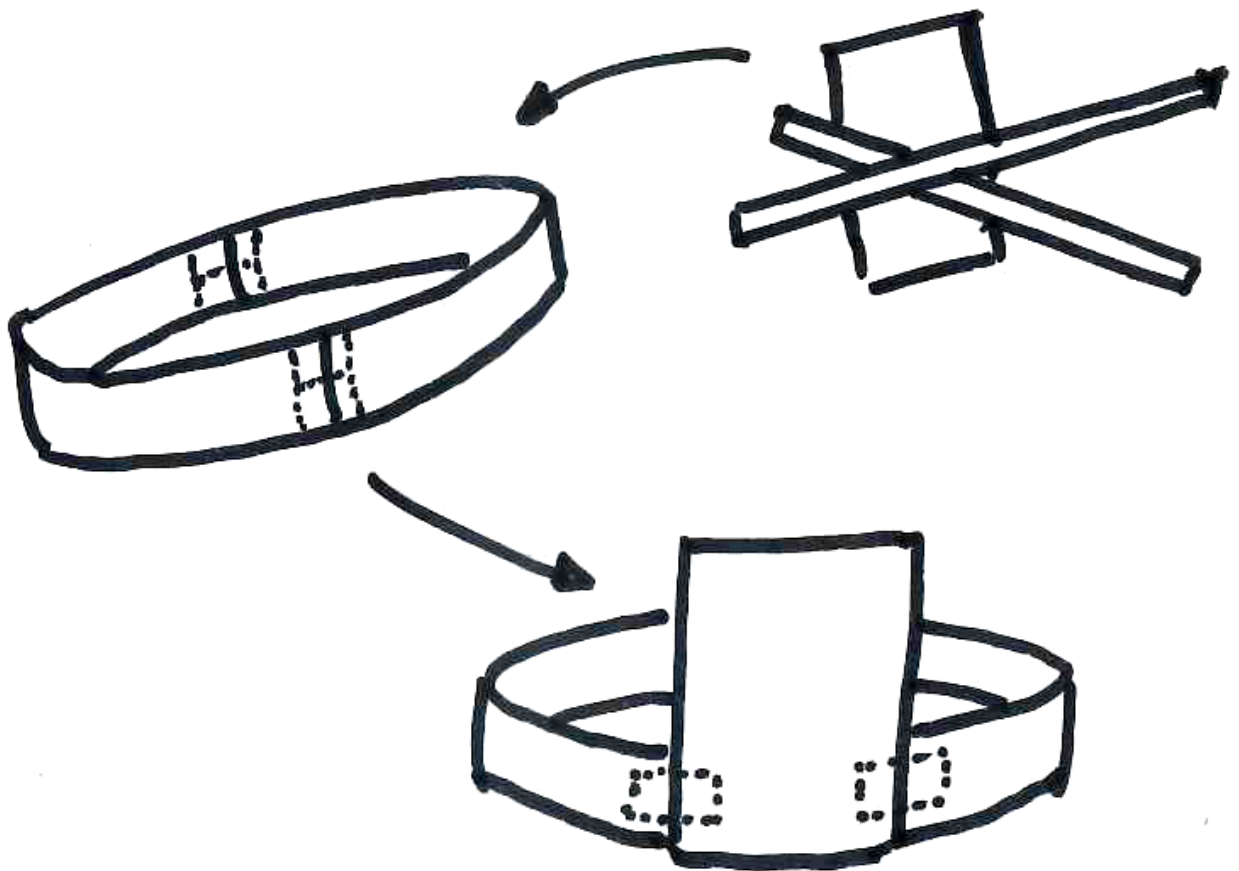

**SYMBOL**

**YOU CAN SHAPE THE TOP**

Draw the symbol of the People on a piece of card.

Take two strips of card, and tape them together to form a band that fits snugly around your head. Then attach the symbol to the front, to create a headpiece that the People would wear.

Each year the People have an important celebration.

What do they celebrate? When does it happen? Who is involved? What do they do? Where does the celebration take place?

**WRITE ABOUT THE CELEBRATION OF THE PEOPLE**
